Source, ChiNat political officer and former Tai Li man just returned HongKong from Taiwan where questioned concerning ChiNat guerrilla control setup in Taiwan informed following, adding some info highly secret:

A. All mainland guerrilla activities fall under MND.

B. These activities grouped under three main offices.

C. Chiang Ching-Kuo, political office, responsible for all political appointments in guerrilla forces mainland, and non-guerrilla political affairs internally, Taiwan. He is empowered also send own agents directly to effect changes decided.

D. Cheng Chieh Min, office mainland operations responsible for all mainland guerrillas, is leg-man for Chiang Ching-Kuo some matters only but responsible for gathering all military and political intelligence and info on guerrillas themselves.

E. Third office is BBS charged with all highly secret covert matters both mainland and Taiwan, including enemy, but does not directly control guerrillas. Source states famous Chekiang Province woman guerrilla leader actually has little or no guerrillas herself or others despite recent reports to contrary. States she is popular for liaison work but figurehead only with no control. Informant states MND training picked military and political officers for future political propaganda and administration work on mainland similar to US Mil Govt officers last war. Some graduates being sent into China now. Training said taking place in three Taiwan cities. Informant also discredits rumors guerrilla leaders summoned to Taiwan are being detained, or that other Nationalist appointed leaders are replacing them in their units.
